

Hey Lancers!! My name is Madelyn Beckman and I am running for Class of 2023 Treasurer. I am a member of the Liganore Pom and Dance Team and an active participant in Key Club, SGA, Spanish Honors Society, and Class Council. Throughout my 11 years as a Girl Scout, I have taken on many leadership roles and given back to our community through many service projects. I would like to utilize these skills further to promote community support as well as common goals and interests of our class. I am very experienced and well versed with many computer programs to keep records and with handling cash and large sums of money. I have organized fundraisers to benefit our community as well as our class as I am the current class of 2023 Treasurer. In this role, I helped make flowers for the teachers for Valentines Day, helped organize the service project "help our neighbors", and organized a carwash fundraiser for the class of 2023. I will continue to organize fundraising events to support our class financially as well as give back to our community through some of these fundraisers.

If I am elected to be your class Treasurer, I will take your input and opinions seriously and share relevant class information to all. Please vote for me, Madelyn Beckman, as your class of 2023 Treasurer!
