

Hi, I'm Matthew Coffey and I'm running for Class of 2022 President for the 2021-2022 School Year. I'm running for class president to represent the Class of 2022 at Linganore High School. I have served as the Class of 2022 treasurer during sophomore year but most recently served as class president during junior year. I will use my previous experience as Class of 2022 President to make our last year of high school, the best as possible. I've been a member of SGA and Class Council for two years. Events I've attended and helped at are homecoming activities, Egg Nog Jog, the blood drive, FCASC meetings/events, and MASC events. Previously, as class treasurer I have helped plan and run a successful Car Wash and Spaghetti Dinner. Some of my projects during my time as class president included leading a teacher appreciation project and working with the Sophomore class to help the homeless with the Help our Neighbor projects. I've also worked with the SGA to plan a can food drive that benefited two local food banks. Other things that I've been a part of is the LEO Club which assists the Lions Club and run a monthly food packing at the New Market United Methodist Church. I have also attended many leadership training sessions. I have never missed an event and will continue to give 100% of my effort towards our class. I will use all of my leadership skills and my previous experience to continue to lead and represent the Class of 2022. My number one goal as Class President would be to get all members of our class involved. This would include making sure everyone in our class has a say in school events. Also, as class president I would lead a service project with the help of our class, to help the community. One of the most important things a person can do is help others in need. Another goal of mine as class president would be to organize and hold fundraisers. This would ensure a meaningful graduation experience. As Class President, I would continue to work as hard as possible to make sure the Class of 2022 has the best possible senior year experience. I will ensure that the Class of 2022 will leave a great legacy behind. Vote Matthew Coffey for Class of 2022 President.
