

The path of the lance is always forward, never wavers

Connor Cunnane

---

## Hey Everyone

I am pleased to announce my candidacy for SGA President.

My visions are to help the classes during these challenging times, while helping keep our SGA student-led.

While I was SGA Treasurer, I made Eagle Rank. This is the highest award in ScoutsBSA and requires much leadership, especially when planning and conducting a service project.

I also helped propose the idea of doing a virtual scavenger hunt and collaborated with my teammates and class council officers to help plan events.

I plan to use my leadership skills to conduct goals including to:

- Coordinate with other SGA officers within the school and FCPS
- Encourage clubs to meet virtually
- Help plan fun large-scale events like junior and senior prom, homecoming, Relay For Life, Cool School Challenge, and more (even if they are virtual)
- And more importantly, communicate FCPS events and school events to our students through Lancer Lines, the Linganore SGA website, and through social media

The SGA president is the example for our school and ties the SGA together. Let's move forward to be the unwavering lancers we dream to be!

## May the best candidate win!
