

My name is Meredith Moyer, and I am running for the position of treasurer in the Class of 2024 Council. I was a part of the SGA general assembly this current school year, and was involved in SGA in middle school. In addition to these activities, I'm on the cross country team and plan on running spring track. I would like to be elected as treasurer because I want to be more involved with the school and have a chance to build my leadership skills. I would be a good candidate for this position because I am organized, hard-working, and a good student. If I were elected as treasurer, I would want to help other people get involved in SGA and would work hard to fulfill the responsibilities of treasurer.
