

Anna Quackenbush for SGA Secretary

My name is Anna Quackenbush and I am running for SGA Secretary for the 2021-2022 school year. This past year has been extremely difficult on so many students and, with students being separated in different cohorts and between virtual and in school classes, it is hard for us to all stay connected. As SGA Secretary, my plan is to use the SGA's social media accounts to help bridge the gaps that have been formed between students and bring us back together as one community. I intend to use these social media accounts to better hear the opinions of my peers on any changes, improvements or ideas they would like to see carried out by the SGA. Along with that, I plan to help with the formulation and execution of more projects through which all students interested are able to participate and get involved.

For the past 4 years, I have been involved with my school's SGA, participating in various service projects and fundraisers to help my school and the community. I have also volunteered outside of school through the Red Cross, a local horse farm and the food bank. I am a hard-working and dedicated student-athlete, prepared to take on the responsibilities of Secretary, including reporting and taking minutes at meetings, creating a bi-monthly newsletter and any other duties I am assigned. Along with SGA, I am a member of class council, an FCA Leader and this incoming year's Key Club Secretary. Although it may seem that these responsibilities will be difficult to juggle on top of being SGA Secretary, I am confident that I will be able to handle them very well,

and that each one will favorably support the others. The more leadership I am involved in, the greater of a leader I become and the more I am able to benefit Linganore's SGA and the school as a whole. I promise to give unparalleled effort and devotion to the position of Secretary and to reaching my goals for this position.
