

Application Form 2020 - Emma Watkins

Hello everyone! My name is Emma Watkins and I am running for Class Council treasurer of 2022! I helped out in previous Class Council and SGA events and I hope to get more involved this year. As treasurer, I would really like to help plan fundraisers, help manage Class Council funds, and work with my peers for a successful, fun year. I have learned a lot of leadership skills from many years of field hockey and volunteering for many different organizations. In past experiences, I have enjoyed working with and organizing finances. To me, it is very important to have a collaborative, hard-working, and creative team. As treasurer working with the Class Council of 2022, I will effectively work towards creating a fun-filled, inclusive environment at Linganore High School.
